On behalf of the Board of Directors and the Five Star Automotive family, I want to say thank you to every person who has made this event a reality. Whether you're a sponsor, donor, advertiser, playing on a team, or a volunteer, your participation and support of this event is saving lives. For over 70 years, the Rescue Mission of Middle Georgia has helped thousands of men, women, boys, and girls find hope and inconceivable life change. We are excited to see what the Lord has in store for the future of the Mission and the work that it does through Him. Every year, the funds raised through the Five Star Celebrity Classic and Auction are of huge importance in allowing the Mission to meet the needs of so many in our community. I again thank you for being a part of this event and showing such love and compassion for our friends and neighbors in the Middle Georgia area.

God Bless,

Charlie Cantrell
Board Chairman
Rescue Mission of Middle Georgia

Thank you so much for participating in the Five Star Celebrity Classic. I have been a part of this event since 1991 and am honored to have my name attached to such a worthwhile cause.

Many thanks to all the volunteers who, without their hard work and dedication, this event would not be possible. I look forward to future tournaments and hope you will continue to be a part of this great event.

Sincerely,

Kevin Brown

Thank you to all of you who have joined together to make this year's Five Star Celebrity Classic a success. I grew up in Macon and know the goodness and generosity of our community. Your participation allows us to provide healthcare, shelter, and support to those in need.

I hope you enjoy this event, whether you are at the auction or on the course, a volunteer, or a sponsor. I'm proud to join with you as we work and play to make this a stronger community.

Sincerely,

Russell Henley

PROGRESS. NOT EXCUSES.

The path to success is never straightforward. It's full of detours, pitfalls, and roadblocks. To some, these are barriers - reasons to stop; excuses to slow down. To us, they're opportunities. Opportunities to build better plans, bridge gaps, and find new solutions to age-old problems. And through our efforts, you'll find reaching success a little easier. We don't make excuses. We make progress.
