The Rescue Mission of Middle Georgia is blessed to have the support of so many wonderful dental professionals who donate their time and expertise to our Healthy Smiles Dental Program. The program allows residents of the Mission to see dentists and resolve years of damage to their teeth and gums, relieve pain, and improve their smile. Many of the participants have not smiled publicly for many years and upon completion of their dental work have a new outlook about themselves and their future. The Healthy Smiles Dental program has had a profound impact on these individuals.

Thank you to Dr. William Argo for spearheading this program and bringing so many wonderful dentists into the lives of Rescue Mission residents and graduates. Thank you to all the doctors and staff for your help. The love and kindness you have shown to so many people is a blessing. Your compassion and generosity have radically changed lives forever. Thank you for being the hands and feet of Christ!

On behalf of the Board of Directors and the Five Star Automotive family, I want to say thank you to every person who has made this event a reality. Whether you're a sponsor, donor, advertiser, playing on a team, or a volunteer, your participation and support of this event is saving lives. For over 67 years, the Rescue Mission of Middle Georgia has helped thousands of men, women, boys, and girls find hope and inconceivable life change. We are excited to see what the Lord has in store for the future of the Mission and the work that it does through Him. Every year, the funds *raised* through the Five Star Celebrity Classic and Auction are of huge importance in allowing the Mission to meet the needs of so many in our community. I again thank you for being a part of this event and showing such love and compassion for our friends and neighbors in the Middle Georgia area.

God Bless,

Charlie Cantrell

Board Chairman

Rescue Mission of Middle Georgia

Thank you so much for participating in the Five Star Celebrity Classic. I have been a part of this event since 1991 and am honored to have my name attached to such a worthwhile cause.

Many thanks to all the volunteers who, without their hard work and dedication, this event would not be possible. I look forward to future tournaments and hope you will continue to be a part of this great event.

Sincerely,

Kevin Brown

Thank you to all of you who have joined together to make this year's Five Star Celebrity Classic a success. I grew up in Macon and know the goodness and generosity of our community. Your participation allows us to provide healthcare, shelter, and support to those in need.

I hope you enjoy this event, whether you are at the auction or on the course, a volunteer, or a sponsor. I'm proud to join with you as we work and play to make this a stronger community.

Sincerely,

Russell Henley

Golf is challenging. Banking is easy with Renasant.

Russell Henley's dedication to golf keeps him busy, including this week at the Five Star Celebrity Classic. That's why he depends on the **Renasant Mobile App** for managing his finances. With six professional wins to his credit and more than 20 tournaments competed every year, he's glad to have a bank that works as hard as he does.

WE SERVE PEOPLE, NOT PROFIT.

Grow Financial is a not-for-profit working for the benefit of members in our communities, not the pocketbooks of corporate stockholders. Established in 1955 to serve the military and civilian personnel of MacDill Air Force Base in Tampa, Florida, we've since expanded to provide personal and business banking services to more than 200,000 members.

Need a new car? We work with over 1,000 car dealerships across the southeast to help you get an auto loan with competitive rates and simple terms.* Stop by a dealership near you and ask about financing your car with Grow Financial! Learn more at growfinancial.org.

We're proud to contribute to the Five Star Celebrity Classic golf tournament in support of Rescue Mission of Middle Georgia, Fellowship of Christian Athletes and Macon Volunteer Clinic.

relations, and create fellowship among club
members and Corvette owners.*

Corvettes Limited of Central Georgia was started, like many clubs of its kind, by a few enthusiasts with a desire to share their enjoyment and experiences in something they had in common – which in this case, was a car. But not just any car as the Corvette has endured as a separate model since 1953 – something no other American sports car can even come close to. Club membership has averaged about 100 over the past several years and while having fun in their cars is a primary focus, the membership also believes in supporting the community that supports them. This year we had the honor of supporting the Rescue Mission of Central Georgia by teaming up with our sponsoring dealership, Five Star Chevrolet, Cadillac, Buick, GMC, in putting on an All General Motors car show which is our biggest annual event. The club is also a Lifetime Business Member of the National Corvette Museum and contributes to Meals on Wheels through other fund raising events. All-in-all, we are proud to be Corvette owners and to live in a country that allows us to enjoy our special cars. God Bless America! Web site: clogc.com
